19	Yes	Youth Programs		1967	M	4
20	No	Cross Walks, Improve Beach Park, Community Pool		1950	M	2
21	No	Community Swimming Pool, More sidewalks		1930	M	3

KEKAHA HOST COMMUNITY BENEFIT PROGRAM - CAC COMMUNITY SURVEY RESULTS (UPDATED 07-18-16)

	Notify	Project	Other Comments	Year Born	Gender	# in Hshld
22	Yes	Safety surveillance cameras, Renewable energy programs		1961	F	3
23	No	A safeway to get over that rockwall to the beach	If committee sees this as a worthwhile project, please call me			
24	No	Renovate Neighborhood center	Center would be able to accommodate groups traveling, conventions, etc., Raise roof, too hot indoors, Build another restroom with showers	1948	F	4
25	No	Clean up Kekaha highway	Government should clean the roads, I think we need more consistent litter clean up, Always so much garbage and trash on the west-main highways. Terrible with rubbish	1957	M	1
26	No	Improve Kekaha Beach Park	Provide area for children and bathrooms		M	4
27	No	Pool		1963	M	2
28	Yes			1959	M	3
29	No	Hurricane/Tsunami Evacuation Center Mauka of Kekaha Road		1947	M	4
30	Yes	Community Pool, Bus Stop Hale, More Youth Programs	Youth Programs throughout the centers	1962	F	2
31	Yes	Kekaha Community Center, Renewable energy programs, Safe sidewalks and crosswalks near schools		1976	F	4
32	No	Trash pick up rebate, Student Scholarships, Student loans for Kekaha	Do not use for CIP That money should be the County responsibility			
33	Yes	Shaded areas over play ground equipment, walk / bike path			F	5
34	No	Public swimming pool	And quit throwing away money on fireworks	1951	F	2
35	No	Beach park pavilions and bath facilities, swimming pool, Health Screenings, Projects for schools (Environmental, science and culture studies)				
36	No	PV Project, Community Pool, Improve Community Center and beach park		1947	M	2
37	Yes	Shaded areas over play ground equipment, walk / bike path			M	5
38	Yes	Pool, PV Project, Emergency Shelter			F	1
39	Yes			1970	F	4

KEKAHA HOST COMMUNITY BENEFIT PROGRAM - CAC COMMUNITY SURVEY RESULTS (UPDATED 07-18-16)

	Notify	Project	Other Comments	Year Born	Gender	# in Hshld
40	Yes	Renewable energy programs / projects, Drainage at Post Office		1960	F	2
41	No			1952	M	4
42	Yes	Skateboard park, mountain bike trails, bathrooms at McArthur Park		1960	M	3
43	Yes	skateboard park, bathrooms at mcArthur Park, Youth Center for sports events, dance classes and art and music		1949	F	6
44	No			1951	F	3
45	No	Community Pool		1961	M	4
46		Fixing all the crack road		1939	F	3
47	No		A big Mahalo to the uncles for the solar system. It seems like the same club keep getting the funds. Hawaiian school don't need help. They have money from OHA. Besides not only kekaha kids attend the school. Be fair. Give to the kekaha kids/people. Automatically some funds should be used towards the kids involved in sports. Why should anyone get paid to attend or control meetings. It's the community funds so why pay 1 person.	1951	F	6
48	Yes	Solarize Program, Baseball Associations		1955	F	5
49	No			1949	M	2
50	No	Senior Citizens, Cash to all senior citizens or all residents of Kekaha				
51	Yes			1938	M	2
52	No	No charge for trash pick up, Improve Tennis Courts		1951	F	1
53	No	Covered Play Court		1967	F	4
54	Yes		I have been active in Hui O Laka/The Koke'e Natural History Museum for 40+ years. I very much appreciate what the KHCB has done to support both the Banana Poka Festival and the Eo E Emalini Alaka'I Festival at the meadow. Mahalo!	1946	M	1
55	No	Kekaha Park Track to be resurfaced	Make it safe for walkers, esp. seniors	1939	F	
56	No		Mailed a \$15.00 Money Gram payable to KHCB	1952	M	1

KEKAHA HOST COMMUNITY BENEFIT PROGRAM - CAC COMMUNITY SURVEY RESULTS (UPDATED 07-18-16)

	Notify	Project	Other Comments	Year Born	Gender	# in Hshld
57	No	Solarize Kekaha Project	I'm still on the waiting list and was disappointed when it was stop. Kekaha resident can save a lot of money using the sun.	1964	F	8
58	Yes	Kekaha School, Kekaha Beach Park, Community Pool and Senior's Program		1956	F	5
59	Yes	Pool would be nice but education top priority. Renewable energy, concerns about pesticide use	My husband and I moved to your lovely island. Bought a home in Kekaha in 2013. We live on Kekaha Road and it seems safe. A pool would be nice but education should be a top priority as youth are the future. Renewable energy very important also but aren't you concerned with the pesticide use.	1950	5	3
60	Yes	Bike path, pedestrian walking path along the beach/ocean		1957	M	2
61	Yes	Renewable Energy Programs/projects (159)			F	5
62	No	A nice running track around the Kekaha Neighborhood Center or Walking Path. Plant plumeria trees around the track with picnic tables. Cover the basketball court and the kids playground		1962	F	2
63	Yes	Improve Kekaha Beach Park, McArthur Park with Bathrooms / Pavillions, Funding for community pool		1950	F	3
64	No	Tsunami preparedness evacuation and disaster planning, swimming pool at Kekaha Neighborhood Center, Economic development for business district		1952	F	
65	Yes	Do a second round of solar. So many missed the first round. How about a computer for each home with at least one child. A good basic computer can be purchased for about \$600.00. You could buy 8 computers for every \$5,000 for \$250K/500 computers would be purchased.		1946	F	5
66	Yes	Tsunami preparedness utilizing resources at Kokee/PMRF/nonprofit orgs		1957	F	1
67	No	Community Pool would be great! Also, improving the landscaping at the neighborhood center - nicer grass, plants, etc., as well as a new play area for keiki		1982	F	4

KEKAHA HOST COMMUNITY BENEFIT PROGRAM - CAC COMMUNITY SURVEY RESULTS (UPDATED 07-18-16)

	Notify	Project	Other Comments	Year Born	Gender	# in Hshld
68	Yes	It would be admisable if a building was built mauka to house the students and elderly of kekaha, St. Theresa and the Niihau that need to walk to higher ground if there was a tsunami etc. It would be safer in a building while waiting for parents to pick up. Kupuna especially live alone at the shorline elederly housing choose not to go. no car, cannot drive, no family, friends and management does not check on them. Please consider building in safety zone to house the students and kupuna.		1957	F	5
69	No	Community Centers that offer a variety of Summer and after school fun activities for children and youth, Community Gym for basketball, roller skating, kick ball, Covered play grounds and pool at parks and schools (Too Hot!), Outdoor covered top open play theater for evening school or community plays (with bleachers and a stage set up)	You can fry an egg on the playground	1972	F	5
70	No	Improvements to the Kekaha Community Center to include the addition of a gymnasium. The nearest gym available to the public is the small Kaumakani gym. A facility the size of Kalaheo gym would be nice. The addition of solar panels and air conditioning would provide a comfortable place for children and adults alike to play basketball, volleyball, pickleball, badminton, etc.		1946	M	2
71	No	Clean up the community. Kekaha is a mess. Should be like Waimea. Rent dump trucks to clean all areas of Kekaha. Have volunteers help. Have you seen the Parraga yard on Elepaio Road. It's a shame.				
72	Yes	Water park, dedicated bike path, better lighting on street, showers on the beach park, recycling pick up, café, places to eat		1979	M	2
73	Yes	Street lighting to defer crime and safety, Affordable housing as a destination for our low income people, disaster plan		1943	F	2
74	Yes	Skatepark, bike track, bike/hike/equestian trails, surf club, solarize Kekaha should be continued for the remaining residents who have not been able to benefit from the program. I like the ideas presented above but I believe that most of these projects should be paid for by the County of Kauai with money we pay in taxes. If we must use the community money for county projects, I have something to add. Speed bumps on Kekaha Road. Some people drive much much faster than the speed limit which is a huge safety concern for our community. Thank you for this information and for where to find future information as you know, not everyone gets the garden island news or gets the word of mouth information. I missed out on Solarize Kekaha because I didn't know about it until after the deadline so I was very pleased to receive this letter. Thank you.		1986	M	4
75	Yes	Projects that would benefit the majority of community ohana. Anything or anyplace that people use or would use if improved		1954	M	9
76	Yes	Renewable Energy Programs/projects (159)		1954	M	1

KEKAHA HOST COMMUNITY BENEFIT PROGRAM - CAC COMMUNITY SURVEY RESULTS (UPDATED 07-18-16)

	Notify	Project	Other Comments	Year Born	Gender	# in Hshld
77	Yes	We feel that Kekaha community would benefit by planting more short coconut trees at beach parks and planting Haden mango trees everywhere. We have a nursery and would be happy to provide the trees, do the planting, and provide the maintenance! We should use the green wast to make a high quality fertilizer by composting it.		1943	M	1
78	No	We have the most beautiful shoreline on Kauai and in my opinion, the best on all the islands. We need to develop it like they have done on the east side. Plans should be made to bring more people to our shore and show off this beauty!		1953	M	1
79	No	You need a regular clean up scheduled on the road to Waimea. It is being cleaned by residence finding every kind of trash including Hospital waste! Our road looks like the dump it goes to. This is the impact of the landfill that is not being addressed. It is clean only when we clean it ourselves. I'm to old to keep it up!		1955	M	2
80	Yes	Parks, Community Center, Roads, Sidewalks		1963	M	2
81	Yes	Improve the park				
82	Yes	Community center and swimming pool		1978	F	5
83	Yes	Projects that only fund Kekaha residents that only is spent in Kekaha. No one else should be using the monies only Kekaha Full Time Tax Paying Residents that live in Kekaha Full Time. We need a full size indoor air condition gym. The side of the area off Kaumualii Hwy bordering the Kokee road up to Tennis courts inside of C of K Neighborhood Center fenced in area. We need it ASAP		1947	M	16
84	No	More solarize Kekaha homes		1971	M	3
85	Yes	Stuff that is for the locals that only live come from Kekaha. How come we give money for something no in Kekaha, (Queen Emma Celebration) as not something to do with Kekaha? And we not state or county so why we got to fix sidewalks and crossroads. Use the money for the Kekaha local people only. Make sure because as what is for.		1946	M	5
86	No	Kekaha Elementary School AC Systems		1970	F	4
87	Yes	Supporting our youth with educatin type of benefits and our aging elders. More photovoltaic systems for the rest of our neighbors. That is a waste in funding fire works that is bad. Use the funds only for Kekaha Residents don't fund anymore that is not fromKekaha. I know you have already done a lot of funds that shouldn't have been funded do it right from here on in only for Kekaha Residents period.		1951	F	2
88	Yes	Upgrade Kekaha park: locker rooms for baseball, football and basketball. ; more restrooms; add pavilions. Upgrade neighborhood center: add pavillions, add more restrooms, build an enclosed or covered court. Upgrade McArthur Park: add restrooms, add more pavilions. Upgrade Kekaha Beach Front stonewall. Build higher wall		1952	F	4

KEKAHA HOST COMMUNITY BENEFIT PROGRAM - CAC COMMUNITY SURVEY RESULTS (UPDATED 07-18-16)

	Notify	Project	Other Comments	Year Born	Gender	# in Hshld
89	No	Bathrooms and McArthur Park Kekaha, sidewalks & crossroads		1966	F	6
90	Yes	Kekaha census - Know every household in Kekaha addresses, phones, email, names, children, etc. Work the beat so you can serve the people better. Projects that enhances the "academic" skills of Kekaha, students - they are our future, Projects not supplementing government tasks, projects to enhance the knowledge of the CAC		1962	M	4
91	No	Continue with the Solarize Kekaha Project for the next group of Kekaha residence		1949	M	1
92	No	Irrigation system for Faye Park (Priority)				
93	No	Improve Kekaha Beach Park, community pool		1957	F	2
94	No	Improve drainage on Kekaha Road		1952	M	1
95	No	Sidewalks through out Kekaha leading to Community Center and all bus stops		1947	M	3
96	Yes	AC for the children. This is important. Watering of McArthur Park/County kuleana, Homeless parks made w/containers, transitional. Clean/sweep our streets cause County not doing it. Make steps down to beach over the wall. It's a hazard now.		1955	F	1
97	No	Fresh paint at tennis courts. Clean up graffiti around town. Trash bins around Kekaha park grounds. Straighten bent signs. Replace graffiti bus stop schedules. Fix broken door on community center. Spend some money on maintenance before everything falls apart. 4th of July fireworks, Make a waterslide day for the keiki at the park. Rent some blow up houses/water toys, community ice cream social at community center. Community Pool.		1948	M	2
98	No	Community pool, improve drainage of Kekaha, Improve Kekaha road, Kekaha Park and programs for the keiki		1928	M	5
99	No	We need more capital projects in Kekaha i.e., improvements to the park, tennis court, neighborhood center, grass area around neighborhood park. Fix Kekaha road so it drains when it rains.				
100	No	Invest funds, continue Kekaha 4th of July celebration				
101	Yes	There has been a consistent response from the community to focus on the parks. Improve restrooms, irrigate the grass, walking paths, etc.		1953	M	2
102	Yes	Begin funding for a pool		1957	F	2
103	No	I think the kids need a skateboard park area. Kids have little area to get together other then tennis court and basketball court to bike and skate and socialize. This is a permanent place unlike anything yet that has been done for all.		1959	M	4
104	No	Community Pool. It would be so helpful and a healthy activity for young and all.		1943	F	1
105	Yes	I would like to see a skateboard park		1970	M	3
106	No	Community center upgrades and repair sports facilities, tennis court/handboard court, more renewable energy programs, kekaha road drainage, sidewalks & crosswalks	No community pool, waste of \$\$	1960	M	2

KEKAHA HOST COMMUNITY BENEFIT PROGRAM - CAC COMMUNITY SURVEY RESULTS (UPDATED 07-18-16)

	Notify	Project	Other Comments	Year Born	Gender	# in Hshld
107	Yes	Trash containers fronting St Theresa Church on Beach people use and w/ their opala. Improve Basketball courts / one more with good lights		1948	M	6
108	No	Solarize Kekaha Project	Provide PVC System for the residence of Kekaha	1947	M	1
109	No	Vocational scholarship available for students Kekaha graduating from WHS, Air condition in classrooms at Kekaha Elem and St. Theresa School		1943	M	2
110	No	Continue Solarize Project				
111	No	Indoor Gym, Golf Course, Swimming Pool		1961	M	
112	Yes	Massage for Kupuna/Seniors, Walking/Bike Paths, Sidewalks		1956	F	2
113	No	Continue Solar project.	There were so many people who signed up for this project and went to meetings and only part of the group was funded. Finish the numbers you have in the original list.	1922	F	1
114	No	Continue Solar project.		1952	M	5
115	No	Continue Solar project.	Continue with solar energy for those who were not fortunate to take advantage of the 15 free panels. I was disappointed for not being formally approached of this prject and neglected to sign up. I am in dire need of assistance for electric bills. I feel only those in "the know" or "relatives or friends" were aware of the sign ups. There ae those on extended vacations that are not reached. I appreciate receiveing personal letters like this one. Thank you			
116	No	PV Project for Kekaha residence should continue				
117	Yes			1965	F	3
118	No	4th of July celebration, Community Garden, Upgrade/Repair Neighborhood Center, Skate Park, Programs to assist schools / students	Main priority, skate park. This is a healthy activity for kids and will prevent skateboarding in unauthorized areas.	1978	F	2
119	Yes	Businesses, Renewable energy programs/project	Renewable projects for homes and schools	1982	F	6

KEKAHA HOST COMMUNITY BENEFIT PROGRAM - CAC COMMUNITY SURVEY RESULTS (UPDATED 07-18-16)

	Notify	Project	Other Comments	Year Born	Gender	# in Hshld
120	Yes	Solar Farm like Anahola; Invest a portion of the money so that we will get money generated to cover some projects or we will only run out of money later. Invest for the future generation		1967	M	2
121	Yes	Septic Systems to replace cess pools; Sidewalks, Bike paths, Solarize and A/C Kekaha School, Swimming Pool	I really don't want to support sewer connections because of the charges for water in / water out but I believe charges are coming. What about a program similar to Solarize Kekaha that could help finance septic systems to replace cess pools or help finance sewer hook ups when we are forced to make them. I was told by Bernard Carvalho the sidewalk/bikepath was due to extend as far as St. Theresa's in Kekaha. We need safe places for biking and walking. Can solarizing and A/C for Kekaha School be considered? I am still all for getting a swimming pool back	1940	F	2
122	Yes	Drainage at Kekaha Post Office and Kekaha Road, Upkeep the Kekaha Neighborhood Center, Senior and School Programs	The drainage around the Kekaha Post Office should be a priority along with the poor drainage along the Kekaha road and Elepaio Roadways. Also upkeeping the Kekaha Neighborhood Center. Also some fundings should be allocated to senior / school programs	1969	F	1
123	No	Funding for Kekaha Schools / Educational (charter, public & private) initiatives; Kekaha Graduate scholarships	Continued fundindg for Kekaha Schools; Start funding for Kekaha graduate scholarships, scholarships for kekaha residents pursuing higher education with an intent to return to Kekaha/Mana/Waimea for employment/community benefit	1985	F	4
124	Yes			1962	F	3
125	No	Solarize Kekaha Project				
126	No	Community Pool, Safe sidewalks and cross roads		1969	F	4

KEKAHA HOST COMMUNITY BENEFIT PROGRAM - CAC COMMUNITY SURVEY RESULTS (UPDATED 07-18-16)

	Notify	Project	Other Comments	Year Born	Gender	# in Hshld
127	Yes	2009 survey top priorities	Although the "grant system" has accomplished several good things for the community, the CAC should revisit the 2009 survey and work on the top priorities.	1940	M	1
128	Yes	Transportation for Seniors, Burger Place, Ice Cream Shop, gathering place for the seniors, swimming pool	The seniors (elderly) should not have to travel just to go and eat at McDonalds. A good plan would be to have some people open up a burger place. Most of the seniors here don't drive and have a car and have to depend on the Kauai Bus. Its hard on the with disabilities. An Ice cream shop and more gathering places for the elderly. Nothing to do all day. A swimming pool for us with a life guard would make them happy including myself. Kekaha extra hot in summer	1938	F	1
129	Yes	Beautify Kekaha Neighborhood Center and surrounding park with irrigation system, more pavilions for picnicking, etc. Why not sink a well or two to provide water for that purpose (irrigation).	This is the first communication I've received, please send more!	1951	M	2
130	No	Hire people to pick up rubbish all along the road	That is a lot of money for a small town. There used to be a lot of homeless here. But not so much now. I think paying people to walk the road to the dump picking up the real impact of this mountain of plastic to our west is the wise use.		M	1
131	Yes	A bicycle path to Waimea. Meandering and in slight hills/berms for skating, biking, walking, running etc. If the path could be wide and allow picnic areas with toilet and BBQ grills and water		1951	F	1

KEKAHA HOST COMMUNITY BENEFIT PROGRAM - CAC COMMUNITY SURVEY RESULTS (UPDATED 07-18-16)

	Notify	Project	Other Comments	Year Born	Gender	# in Hshld
132	Yes	swimming pool, Increased access to agricultural opportunities for Kekaha residents. Food forest for the residents maintained by residents to be self-sufficient	A pool would be a great way to increase community bonding and promote healthy lifestyles. I would also like to see increased access to (or a campaign to increase awareness of) agricultural opportunities for Kekaha residents. Maybe a feed forest for the residents and maintained by the residents. The seed companies might be able to help start things off in exchange for positive PR but it would be very important to get long-term community members to lead an initiative like this. If successful, Kekaha could become much more self-sufficient which could be life-saving if a natural disaster struck our area. I'd be happy to volunteer to help with something like this.	1977	F	8
133	Yes	Speed Bumps on Kekaha Road, Toilets at McArthur Park		1945	M	4
134		Wow how quickly time flies. Solarize Kekaha was started in 2013. All this time I'm still waiting for the Phase II of Solarize Kekaha. I didn't qualify for the 1st round but was assumed that I'd qualify for the 2nd round but I guess I was waiting in vain. Solarize Kekaha is pau and the Association has moved on.	Thank you for helping the other projects			
135	No	On the beach between Kala Road and Pueo Road, there are various types of old metal debris (wheels, equipment parts, motor parts) lying in the sand (from plantation days/dumping) which possess a hazard. These should be removed but need heavy equipment		1954	M	3
136	Yes	Kekaha Solarize Project	Need/Want same benefits others have concerning solar panels to generate electricity. What is good for some should be good for all. Born and lived in Kekaha since birth	1938	M	3
