

Our Trip to Oahu: Kekaha Elementary School

4th Graders

School Year 2017-2018

New things I learned

1 | Kaijah Silva

“I got to do a lot of things in Oahu I will share one thing the thing that I learned is that the starfish can regrow their legs and arms.”

2 | Qyrus Bernaldes

“I learned in Oahu how to pound poi and that when you put dead leaves in the loi that the dead leaves give them their nutrients.”

3 | Shyah Moreno

“The interesting fact is that Prince Albert and his mom Queen Emma died at a young age.”

What I learned about *myself*

1. ... you are still cared for if you are not with your parents.
- Rylee Bernabe
2. ... when you work together it can be done faster.
- Rayanne Jamore
3. ... that I can really work well with people I don't really talk to.
- Chaslee Aki

Iolani Palace

... learning our history so we
can wisely determine our future.

Children's Discovery Museum

... exploring potential career
paths!

He alii ka aina, he kauwa ke kanaka

Land is chief, man its servant

Malama Aina starts with us

When the land is healthy,
we become healthy too

Pacific Aviation Museum

Science and Technology

Campus visit to Kamehameha Kapalama

... one day Keahi Tucker will
retire and we'll be ready!

Mahalo from the bottom of our hearts!
